

Chapter 8 – Recycling in Millennial Reign

Since the whole world will be in peace and harmony during this period, and satan is locked away, there will not be any fighting between people on the earth. No one will be living in fear of another person, animal or disease; and no one will be jealous of another person, as all these evil natures in the heart of man will be dormant.

Therefore, all weapons and any form of weaponry will be recycled into instruments and tools to do work of gardening and farming. There will be no knowledge of war or anything like it. There will be no violence nor even the thought of doing harm to anyone.

This is prophesied by the prophet Micah:

Micah 4:3 *And he shall judge among many people, and rebuke strong nations afar off; and they shall beat their swords into plowshares, and their spears into pruninghooks: nation shall not lift up a sword against nation, neither shall they learn war any more.*

During World War II, we saw how many factories around the globe were converted to manufacturing arms, weapons, etc; in the Millennial Reign, the reverse will happen.

Micah 4:4 *But they shall sit every man under his vine and under his fig tree; and none shall make them afraid: for the mouth of the LORD of hosts hath spoken it.*

The prophecy paints a very clear picture as to how life will be during the Millennial Reign; there will be no fear in people during those days. Though our Lord Jesus is ruling at this time, He will not be ruling by fear. His laws are given through love, and He expects people to obey them because they love Him, not through fear. At this present time, we may be fearful of so many things. The New Testament saints are those who have overcome all these fears, because they have given their lives entirely into God's hands. It is possible to live such a life now, rather than waiting for the Millennial Reign.
